

2013 - 2014 MOOSE HUNTING SEASONS

Antler Restrictions

- Only moose with at least one antler longer than six inches may be taken in any season open for antlered moose only.
- Only moose without antlers or with antlers less than six inches long may be taken in any season which is open for antlerless moose only.

Mandatory Check and Report Requirements

All successful moose hunters must report their harvest within 10 days of the date of the kill and have a big game mortality report completed. Any hunter killing an antlered moose must present the antlers to a conservation officer or at an Idaho Fish and Game regional office and have a big game mortality report completed within 10 days of the date of the kill. Fish and Game's headquarters office is not equipped to check in moose. In the Boise area, these animals can be checked at the Fish and Game regional office in Nampa (3101 S. Powerline Rd, 208-465-8465) weekdays between the hours of 8 a.m. and 5 p.m. or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7095.

A hunter may authorize another person to comply with the above report requirements if that person possesses the necessary information to accurately complete the necessary form, see page 33.

Unsuccessful hunters must present or mail their unused tags to a Fish and Game office within 10 days after the close of the season for which the tag was valid. Tags can be mailed to: Idaho Fish and Game, Attn: Wildlife Bureau, PO Box 25, Boise, ID 83707. Cancelled tags will be returned to the hunter upon request. Failure to report may result in future ineligibility in moose drawings.

NOTE: Moose tags unfilled after the first drawing are available to any Idaho hunter during a second drawing. See page 38. Hunters who have previously harvested a bull and/or a cow moose and not eligible for the first drawing may apply for and receive one of these tags in the second drawing or as a left-over tag if tags are still available.

No person may harvest more than one antlered and one antlerless moose in Idaho during their lifetime, except Super Hunt tag winners and left-over tag holders may harvest moose regardless of any previous harvest of moose in Idaho.
